

Request for Proposals (RFP) 25-04
Tiger Lanes Renovation
Amendment #1 – Vendor Questions & JSU Answers

1. **Question:** Where would Jackson State University like to see the Jackson State University Athletic logo placed?

Answer: We want branding displayed throughout the area, including furniture, doors, bowling lanes, ball racks, bowling pins, walls, etc.

2. **Question:** Does Jackson State University prefer to move to a swing and swivel layout or keep the current individual chair replacement for the current seating?

Answer: Furniture modernized, with the move to a swing and swivel layout

3. **Question:** What is Jackson State University’s electronic payment system and remittance vehicle?

Answer: ACH and Checks

4. **Question:** Where can the “Exhibit A- Confidentiality and Non-Disclosure Addendum” be found?

Answer: Exhibit A is not a part of RFP 25-04

5. **Question:** How do we provide disclosure of the above-mentioned documents and ensure they are incorporated into the Jackson State University contract if Brunswick is selected as the successful contractor?

Answer: After an award of the contract, the selected vendor will have an opportunity to provide their edits to a standard agreement and propose additions, including their attachments, and they will possibly have the option to send a copy of their agreement and attachments for JSU legal review and consideration.

6. **Question:** Would Jackson State University like Brunswick to provide an additional (8th) monitor with a wall mount to be used with a future coaching software program purchased from another vendor? If so, what size commercial monitor would Jackson State University prefer – 43”, 50”, or 55”?

Answer: Seven monitors will be adequate. The seven should be at least 50” or 55.” The seventh should be posted strategically for the Athletes to use as a Major Learning Tool (videos front and back Ball speeds, Replays, etc.).

7. **Question:** Was Jackson State University’s reference to “all training tools” intended to reflect Sync scoring and management training, bowler’s tablet spare shooting software (MyShot), and something different?

Answer: Yes

8. **Question:** Where is the project site located?

Answer: Jacob L. Reddix Hall , 1st Floor
1400 J. R. Lynch Street
Jackson, Mississippi 39217

9. **Question:** Online sources indicate this project is expected to begin no later than January 3, 2025. Can you confirm?

Answer: Yes

10. **Question:** What is the expected budget of this project?

Answer: TBD after the contract is awarded

11. **Question:** Would this be a contract directly between JSU and the general contractor or some other entity?

Answer: Directly between JSU and general contractor
